CODE OF CONDUCT FOR PARENTS & SPECTATORS

Reffley Youth FC's Code of Conducts for Players, Coaches, Parents and Spectators is based on Fair Play, Good Citizenship and the Avoidance of Racial Abuse

Parents and Spectators have a great influence on children's enjoyment and success in football. All children play football because they first and foremost enjoy the game-it's fun. But, however good a child becomes at football within the club, it is important to remember that positive encouragement will contribute to:

- children enjoying football.
- a sense of personal achievement.
- high self-esteem.
- improving the child's skills and techniques.

A parent / spectator's expectations and attitudes have a significant bearing on a child's attitude towards other players, match officials, managers and spectators.

All parents / spectators of Reffley Youth FC are expected:

1. not to use foul or abusive language **in any circumstances.**
2. to always be positive and encouraging towards **all players from both teams** (not just their own child or the most talented), in a sensible and constructive manner.
3. to show respect for the Match Officials.
4. to accept defeat sensibly and with dignity.
5. to avoid coaching the children during the game.
6. to accept the decisions and instructions of the Coach and other Team Officials.
7. to abide by the Laws, rules and spirit of the game of football.

It is hoped that everyone enjoys their involvement with Reffley Youth FC, in whatever capacity, and that everyone helps the young people who represent us to find enjoyment in teamwork, genuine effort and enthusiasm for the sport of football. Reffley Youth FC supports the FA's Respect programme to ensure football can be enjoyed in a safe, positive environment. Remember children's football is a time for them to develop their technical, physical, tactical and social skills. Winning isn't everything. Play your part and observe the Reffley Youth FC Codes of Conduct.
